RULES AND GENERAL INFORMATION

Thank you all for participating in this year's edition of the BDCC Classic.

The draw is sectioned according to requested start times and draw limitations. This means, seeding is extremely hard to accomplish while trying to accommodate requests as best as possible. Thank you for your understanding.

We would like to thank Lachine Curling Club for collaborating with us once again and hosting games on sheets 51, 52, and 53 on Saturday November 10th.

RULES

BROOMS

The "broom moratorium" is in full effect, as the bonspiel has CTRS consideration. Please contact us if you have any questions. We will have "Legal" heads available at the club in case.

The ladies section having only five teams precludes the potential for CTRS points, therefore the broom moratorium need not apply.

HAMMER

Prior to each game, teams will flip a coin. The team winning the coin flip will choose colour. The team losing the coin flip will choose which side of the sheet (in turn or out turn side) to deliver their stones and will throw first. In alternating fashion, each team will throw three stones; the first two being practice rocks, and the third used to determine hammer in the first end of the game – shortest distance to pin wins hammer. Should the pin be covered, the same player will throw again. Playoffs - same formula will apply throughout.

*IMPORTANT: The cumulative of the two best draws to button for hammer (2 of 3, measured in cm), will be the **shootout score** used for tiebreakers. Any unmeasured rocks will result in an automatic maximum distance recorded.*

PLAYOFF ROUND

In the Open section, the teams with the top record in each pool qualify in seeds Q1 – Q4. Playoff seeding to be determined by overall record, then by cumulative shootout score. In case of a tie within a pool, rankings will be determined by:

- 1) head to head result;
- 2) the lowest cumulative shootout score.

The remaining 4 qualifying spots (seeds Q5 - Q8) will be the next 4 best records overall, using shootouts as the tiebreaker for seeding.

In the Ladies' section, qualifying is as indicated by the bracket.

TIE BREAKING METHOD FOR ACCESSING THE PLAYOFF ROUND

No tie breaking games will be played. All ties will be broken by the shootout score.

For the playoff round - any unexpected circumstance that arises, will be decided by the tournament committee with consultation of impartial skips.

GENERAL INFORMATION

Friday night: all players are entitled to a spaghetti dinner (free for players, \$15/guests). We will once again have a musician playing throughout the evening. Spaghetti will be served between 18:00 - 21:00 approximately.

Snacks will be provided throughout the event after each game.

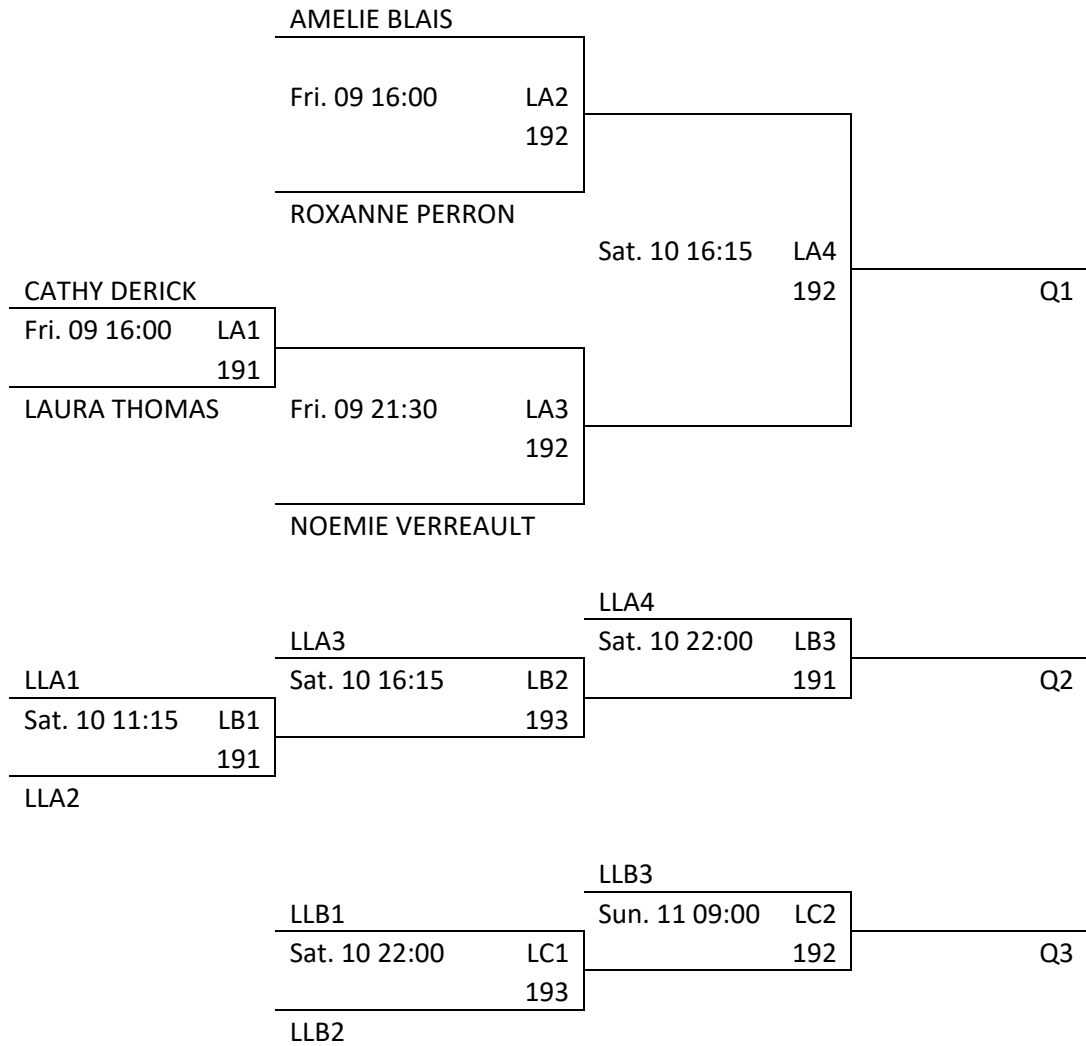

Saturday, you will receive a free meal-ticket, for lunch or supper, at Baie d'Urfé. Supplementary food can be purchased for a small fee. Hot dogs, grilled cheese, hamburgers etc... will be on the menu.

POOLS AND ROUND ROBIN SCHEDULE

OPEN SECTION

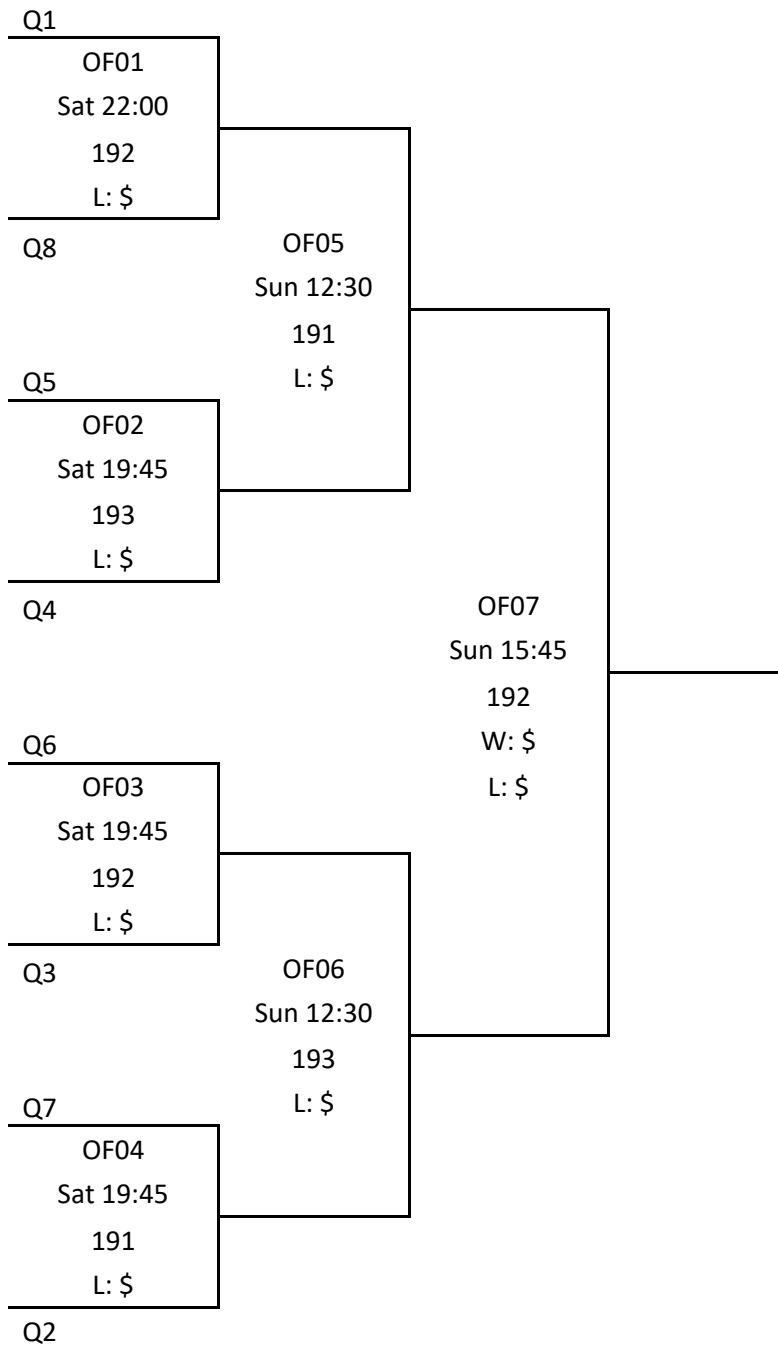

#	TEAM NAME	GAME 1	GAME 2	GAME 3
OA1	JEFF STEWART	Thu - 19:00	Sat - 11:15	Sat - 16:15
